[An Introduction to Casino Operations Management from a Compliance Perspective](#) Gelitha J. Ferguson, 2014-05-19

Casino Operations Management is an intriguing yet mystifying multi-trillion dollar industry worldwide. But little is known or documented about how this thriving industry is operated and managed. What goes on behind the scenes of these operations? For years casino operators were known for their connections to the underworld. On the surface, the intrigue and behind-the-

scenes mystery of the operations of these entities could appear dark and sinister in the minds of many. But individuals are sometimes drawn to darkness ... GamingInParadise.com is a virtual Casino Operations Management training conglomerate located in a land shrouded in mystery-filled intrigue, which is nestled on the Isle of Enchantment. The Isle of Enchantment is a part of a chain of islands called the Bahamas, which is comprised of 700 islands sprinkled over 100,000 square miles of ocean, starting just 50 miles off the coast of Florida. These beautiful islands have been described as another world, where visitors can't tell where dreams begin and reality ends. As you walk through the luscious landscape of the Isle of Enchantment, you enter the unknown world of a gamers' paradise. About the Author First-time author Gelitha J. Ferguson of Nassau is an internationally certified compliance professional/general counsel, with a combined 24-year career in professional management in the regulatory and supervisory environments, the gaming industry, banking and finance, compliance and anti-money laundering/terrorist financing solutions at regional and international levels. She has extensive specialized training from leading regulatory institutions in the U.S.A., Canada, Switzerland, London, and the Bahamas. Publisher's website: <http://sbprabooks.com/GelithaJFerguson>

Casino Accounting and Financial Management E. Malcolm Greenlees, 2008-10-01 In this work, author E. Malcolm Greenlees provides detailed information about the role of state governments in the regulation of gaming. He also discusses the dominance of slot machines as the major revenue source in most casinos; he provides information about changes in the types and operation of slot machines, as well as accounting procedures for slot revenues. The book covers every aspect of the financial management of a casino, from the details of licensing and regulation to revenue taxation; the management of slot machines and other gaming devices, table games, and betting operations; revenue flows and internal cash controls; cashiering; accounting; and financial reporting. *Casino Accounting and Financial Management* has been recognized as the essential manual for gaming industry professionals since its first publication in 1988. This 2008 edition is updated throughout and greatly expands the original text, addressing growth and changes in the casino industry as gaming has spread into new venues both nationwide and internationally, incorporated new games and new technology, and become subject to new management policies and new government regulations.

Crusoe's Books Bill Bell,2022-01-13 This is a book about readers on the move in the age of Victorian empire. It examines the libraries and reading habits of five reading constituencies from the long nineteenth century: shipboard emigrants, Australian convicts, Scottish settlers, polar explorers, and troops in the First World War. What was the role of reading in extreme circumstances? How were new meanings made under strange skies? How was reading connected with mobile communities in an age of expansion? Uncovering a vast range of sources from the period, from diaries, periodicals, and literary culture, Bill Bell reveals some remarkable and unanticipated insights into the way that reading operated within and upon the British Empire for over a century.
