Fearless Major Gifts Charles LaFond, 2017-11-17 Every major gift is planned, and every planned gift is major, so this book is written intentionally blurring those lines with the premise that if you know how to identify, evaluate, cultivate and finally ask for the gift, it does not matter if it is a major gift or is a will inclusion leaving the details of bequests to the donors, their lawyers and accountants. Clergy and others need help learning how to 'make the ask' before the remaining generous generations of capacity (anyone over 60 especially) die, having given their gifts to the non-profits and schools so willing and prepared to ask for them. LaFond recounts, I remember sitting with a beloved, dying parishioner who turned to me in her last three hours and quietly said 'I wish I had remembered the church in my will.' I asked why she had not and she said, sweetly, 'They never asked, and everyone else did, and so thoroughly.' Clergy and lay leaders are terrified of asking for major and planned gifts while parishes need them and donors need to give them. Clergy are not taught in seminary how to do this essential work of ministry. LaFond, in his various roles, is filling that educational gap.

Fearless Church Fundraising Charles LaFond, 2013-03 Considering how essential fundraising is to ministry, many church leaders remain terrified of asking for or talking about money. Fearless Church Fundraising removes the terror from stewardship, urging leaders to focus on deep spiritual conversion and a clear, compelling mission before they design the pledge cards. In this rich resource part handbook, part workbook, part spiritual guidebook former monk and popular consultant Charles LaFond combines road-tested strategies and sample campaign documents with a spiritual director's sensitivity. The result is an irresistible, user-friendly text that promises to transform your ministry's fundraising and its spiritual life.

Building Sunday School by the Owner's Design Danny Von Kanel, 2005 For many churches the Sunday school can be one of the best vehicles to apply the principles of effective evangelism and assimilation. But also in many churches, the Sunday school must undergo a significant paradigm shift before this occurs. Danny Von Kanel's book is a helpful resource to begin making this shift in your church. Charles Chip Arn President, Church Growth Inc. Monrovia, California A strong Sunday

school program is a key component of any flourishing church -- and *Building Sunday School By The Owner's Design* provides a comprehensive toolbox jam-packed with 100 ideas for improving every aspect of your religious education program. Von Kanel discusses the strengths and shortcomings of both traditional and contemporary church growth movement approaches to Sunday school, then points out how following God's design offers a better method for igniting exciting growth. Convenient Tool Time and Tool Resource sections offer specific steps for implementing these ideas in your church. *Building Sunday School By The Owner's Design* is an essential resource for pastors, teachers, and other religious professionals -- it offers everything you need to develop a life-changing Sunday school program that produces enthusiastic, deeply committed followers of Christ. With Generous Hearts Glenn N. Holliman, Barbara L. Holliman, 2005 Running a successful fund-raising campaign is a lot like walking on a tightrope - one false move and everything could come crashing down. But with the right focus, preparation, and resources, along with the willingness to work hard to achieve the goal, churches, church schools, dioceses, and other institutions can make their fiscal visions reality. *With Generous Hearts* provides professional guidance to help parishes and dioceses avoid the pitfalls and obstacles that project leaders will face, and lays out a cohesive plan for a victorious drive. This expanded edition includes new material on the discernment phase of a campaign, annual stewardship campaigns, raising funds for college chaplaincies, and establishing church-planned giving programs.
